FIRE DEPARTMENT

Engineers' Report

The following report from December 31, 1930 to December 31, 1931 is submitted: The manual force consists of Chief Harry E. Colby and two assistants, John E. Cunningham and Leslie N. Boonhower. The combination chemical and pumper, 15 men, Edgar Wheeler, captain. The City Service Hook and Ladder Company, No. 1, 15 men, Albert Garneau, captain. Hose Company, No. 1, South Main Street, 10 men. Alwin Dean, captain.

Location of Apparatus

Hose Co. No. 1, South Main Street

One Auto Hose Truck, 600 feet hose.

One 12-foot roof ladder.

One 25-foot extension ladder.

One 30-foot ladder.

600 feet 2½ inch hose, extra.

Central Fire Station

One American LaFrance Triple Combination Truck, one Reo Truck, one Mack City Service Hook and Ladder Truck. There is at the Central Fire Station 2,700 feet of 2½ inch hose in good condition.

Hose 3, Central Street, Opposite Paper Mill B

One hand reel with pipes, wrenches, spanners and 400 feet of 2½ inch hose.

Pony extinguishers to be used by any person for fire purposes in the vicinity of the places of keeping, are in the following places: City Hall four, Franklin passenger station one.

We have on Hose No. 1, 600 feet of hose.

We have on the American LaFrance Triple Combination Truck, 1000 feet of hose.

We have on the Mack City Service Hook and Ladder Truck, 500 feet of hose. Also a cellar pump.

We have on the Chimney and Brush fire truck, 1000 feet 1½ inch hose besides extinguishers, etc.

We have 1850 feet 2½ inch extra hose.

Recommendations

We recommend the purchase of 1000 feet new fire hose and fire alarm boxes.

HARRY E. COLBY, Chief,
JOHN E. CUNNINGHAM, Ass't and Clerk,
LESLIE BOOMHOWER, Ass't,
Board of Engineers.

Librarian's Report

The total circulation of books and magazines for 1931 was 74,361; for 1930 it was 63,708 making an increase of 10,653. Only those familiar with the Library can estimate the extra work that this large increase occasioned. There were only two days in 1931 when the circulation fell below 100 volumes, and a two and three-hundred circulation for the day was the rule.

The statistics of circulation are as follows:

Books added by purchase during the year	1,529
Books added by gift	96
	<hr/> 1,625
Added	1,625
Replacements not included.	
Number of newspapers currently received, 6.	
Number of magazines currently received, 50.	
Number of volumes of non-fiction lent, adult.....	8,786
Number of volumes of non-fiction lent, juvenile.....	3,077
Number of volumes in French lent	814
Number of unbound magazines lent	978
Number of volumes of fiction lent, adult.....	49,313
Number of volumes of fiction lent, juvenile.....	11,393
	<hr/> 74,361
Total circulation for 1931	74,361

Respectfully submitted,

MRS. BARRON SHIRLEY, Librarian.

WM. A. DUSSAULT, Treasurer.

Report of School Board

To the City Council of the City of Franklin:

The Board of Education of the City of Franklin herewith submit the report of the Franklin School District for the year ending December 31, 1931, it being the 31st of the series of similar reports.

One of the outstanding accomplishments of the past year was construction and equipment of the new room at the Junior High School, for the woodworking department; another was the discontinuance of the summer school and the regular employment of a special teacher to tutor the grade pupils who have lost time during the year.

Again the Board have kept well within their appropriation through strict economy, the only extravagance being the constant repairs required by the old High School Building. If a public benefactor would contribute the money for a new building not only would our present makeshift arrangement for assembly and mechanic arts be obviated, but the students would develop school pride, and the problem of unemployment would be much relieved by using local labor and local material.

We urge the taxpayers to study the following reports.

Respectfully submitted,

MRS. MARGUERITE T. CLIFFORD,
DR. JAMES B. WOODMAN,
CHARLES E. DOUPHINETT,

School Board of Franklin.

Superintendent's Report

To the School Board of Franklin:

My report this year will confine itself solely to matters of record, which will afford data for present information as well as for future historical reference.

Construction

A new room for the woodworking department has been constructed this year in the upper part of the "barn". This room was much needed and is a splendid improvement to the physical equipment of the school.

The usual summer repairs were made to all the buildings.

The Golden Rule Farm Association has this year constructed a modern two room school building which accommodates all the pupils of the Home below ninth grade. Two teachers are employed there whom the school district pay, but there is no transportation charge. The maintenance cost of this school to the district is practically the same as in former years. The school building is a credit to the Association.

Enrollment

The enrollment, at the opening of school in September, was unusually large. The increase was largest in the high school, 39 more than the year before.

Headmaster Kendall reports as follows:

"The enrollment in September, 1931, was 203, an increase of 39, or 23% over September, 1930. Two have been admitted, and two boys and one girl have been discharged, leaving 202. The distribution is as follows:

	Boys	Girls	Total	Dis- charged	Admitted
Grade X	51	45	96	3	2
Grade XI	30	27	57	0	0
Grade XII	21	29	50	0	0
Totals	102	101	203	3	2

Graduates, 1931

Forty-one pupils received diplomas on June 18, 1931. On December 21, 1931, fourteen of these were unemployed, fourteen had work, and thirteen were attending college, normal or special schools.

The Junior High opened September 8th with the largest enrollment in its history.

Principal Rowell reports as follows:

Total enrollment:

	Boys	Girls	Total
Grade 7	52	31	83
Grade 8	33	44	77
Grade 9	39	58	97
	<hr/>	<hr/>	<hr/>
	124	133	257
Number taking Latin course			32
Number taking French course			32
Number taking Commerce			152
Number taking Manual Arts			119
Number taking Domestic Arts			32

The enrollment in the grades was slightly less than last year.

The total number enrolled in the public schools September 30, 1931 was 999.

Athletics

The coach of athletics, has this year also acted as physical instructor in all the grades with satisfactory results.

The school has been very successful in its athletic contests throughout the year and the number of pupils engaging in athletics, both boys and girls, increased materially, which in itself is evidence that the student body realizes more and more the important place that athletics has in the national educational plan. The schools now have baseball, football, basketball, golf, hockey and track teams, engaging in both senior and junior high schools, more than 130 pupils.

Health

The work of the School Nurse is summarized as follows:

In the public schools, 1115 pupils have been weighed and measured. The principal defects have been 256 cases of bad teeth, 40 cases of bad tonsils and 82 of defective vision.

Corrections have been secured for 204 cases of teeth, 17 of tonsils, 20 of vision, 10 of pediculosis.

In St. Mary's School, 445 were weighed and measured. There were found 181 cases of defective teeth, 57 cases of enlarged tonsils, 36 cases of defective vision and 34 cases of defective hearing.

The corrections secured have been 83 for teeth, 3 for tonsils, 7 for vision.

In securing help for correcting defects the Rotary Club has been most generous.

A Notable Record

At the close of school in June, 1931, ninety promotion certificates were given to ninth grade pupils. At the opening of school in September eighty-eight of these enrolled in the tenth grade at the high school, one in the Tilton School and the other, whose parents have moved to Massachusetts, was attending school there.

Special Help Teacher

No Summer School was held this year. In its place a special teacher has been employed to give individual help to those most needing it in all grades below the seventh.

We believe this individual help will keep many children from repeating a grade and thus save the district the per pupil cost of such repeating.

Music

The music activities of the schools this past year have been numerous, varied, interesting and undoubtedly profitable to all participating. Mrs. Watts reports that at the junior high school there are now:

- 146 in the Chorus
- 54 in the Girls Glee Club
- 35 in the Boys Glee Club
- 13 in the Orchestra

At the High School there are:

- 87 in the Chorus
- 45 in the Girls Glee Club
- 13 in the Orchestra

Twenty-six pupils from the Falls, Nesmith and Junior High are taking piano lessons. Miss Mary Keegan is assisting in this work.

Mrs. R. W. Sulloway presented tickets for the use of two students to attend the "Community Concert Association Course" in Concord this winter, for the purpose of stimulating interest in fine music. The tickets are used by different pupils at each concert.

For the second time the Junior High School Girls Glee Club was awarded first prize at the state concert held in Nashua last May.

Finances

Much is heard of the increased cost of the schools. It is true cost has increased to an apparently large figure. The increase has been a natural one along with all other costs—labor, living expenses, material of all kinds, etc.

The percentage increase in expenditures for schools has not, however, been as large as the percentage increase of expenditures for other expenses as a whole, exclusive of the schools.

For example: school expenditures increased in the last ten years from \$48,101.66 in 1920 to \$81,727.79 in 1930, an increase of 69.9%.

Other city expenditures, exclusive of schools, increased from \$208,172.07 in 1920 to \$368,186.17 in 1930, an increase of 76.8%. For 35 years, from 1896-1930 inclusive there has been but one year (1902) when the percent of the school appropriation to the total taxes assessed was as great as in 1896. In that year the school appropriation was 38.33% of the total taxes assessed. The nearest approach to that was in 1906 when the percent was 37.78. In 1902, for some good reason probably, the percent of school appropriation to taxes assessed was 52.22.

In other words, maintaining the public schools today, with their superior advantages and opportunities does not call for as large a percent of the assessed taxes in Franklin as it did in 1896, 1902, 1905 and 1906.

Only one year since 1914, (pre-war) when the schools used \$32.37 of every \$100.00 assessed, have the schools used as large a per cent as that until 1925 after the junior high school had been operating two years, when the per cent was 34.83.

Look at the cost from another angle. In the school year ending June 30, 1931 the total expenditures for schools in Franklin was \$81,797.93; the average pupil membership in all schools for the year was 940.11.

The total cost per pupil then in all schools, high school, junior high and elementary, was \$87.00. The total sum \$81,797.83 looks large; but when you consider that the amount is used in maintaining a large school plant and educating 940 pupils for a year, and that it is being done at a cost of \$87.00 per pupil it does not seem so exorbitant, in fact the per pupil cost is reasonably low.

The money expended for the year 1931 has been applied as follows:

Teachers' Salaries,	63.4%
Maintenance of Plant,	14.0
Auxiliary Agencies (Health, Playground etc.)	7.1
Books and Supplies,	5.5
Administration,	5.1
Equipment and Construction	4.2
Insurance	0.7

School District Meeting

At the annual School District meeting held December 26th, Charles E. Douphinett was reelected a member of the School Board for the ensuing three years. This was a well deserved compliment on the part of the district. The meeting was the largest held since the method of electing School Board members by ballot at a special election was adopted in 1914. The total number of votes cast was 715.

12:15—3-3 blows, no p. m. session for any school.

Class of 1931, Franklin High School

Class Day, June 16, 1931

Class motto—Labor omnia vincit.

Class Colors—Dartmouth Green and White

Class flower—White Carnation.

Class Officers

President,	Rosaire Perreault
Vice President,	Ada Perkins
Secretary,	Pauline Russell
Treasurer,	James Keegan
Marshals,	William Rousseau, Loretta Belanger

Commencement Speakers—Lois Butler, Helen Dean, Ruth Frye, Doris Goodell, Alta Perkins, George Shaw.

Program

Song, "We Are the Senior Class",	Words by Nancy Smythe
Class History,	Pauline Russell
Address to Undergraduates,	John Keegan
Class Prophecy,	Florence Dane, Alta Perkins
Song, "Dear Franklin High",	Words by Nancy Smythe
Presentation of Gifts,	George Lane, Dolores Massicotte
Class Will,	James Keegan
Class Poem,	Wladyslawa Surowiec
Closing Song,	Franklin Alma Mater

Graduation Exercises of the Class of 1931

Commencement Program

Processional	High School Orchestra
Invocation,	Rev. Arthur A. Richards
Essay, "The Evolution of Man's Shelter", Doris May Goodell First Honor Domestic Arts Curriculum	
Essay, "The Grandeur That Was Rome", First Honor College Preparatory Curriculum	Ruth Frye
Essay, "Shorthand--Yesterday and Today" Lois Genevieve Butler First Honor Commercial Curriculum

SCHOLARSHIP FUNDS

Sanger Scholarship

Resolved by the Board of Education of Franklin:

Whereas, Warren F. Daniell has by his written communication addressed to the Board of Education, expressed his intention of establishing a free scholarship for graduates of the Franklin High School in Simmons College in honor of his mother, and to be known as the "Sanger Scholarship," and agreeing to pay annually a sum sufficient to pay the costs of tuition for one student for four years in any of the courses described in the catalogue of the College, and

Whereas, a student to be awarded this scholarship must comply with the following regulations: First, she must have completed four years' satisfactory work at the Franklin High School; second, her parents must reside in Franklin; third, the student's parents must be unable without undue deprivation to pay the tuition themselves.

Be it Resolved: That the Board of Education of the City of Franklin fully appreciate the spirit that prompted Mr. Daniell to establish this scholarship for the benefit of the young women of said city, thereby creating an additional incentive for higher educational advantages: and

Be it further Resolved: That said Board of Education willingly accepts said trust: and

Be it further Resolved: That a permanent Committee on Scholarship shall be established to consist of the Chairman of the Board of Education, the Superintendent of Schools and the Headmaster of the High School of said city, and

Be it further Resolved: That this resolution shall be printed annually in the school report of said Board.

Franklin Student Aid Fund

To the Mayor and Members of the City Council, Franklin, N. H.:

In June, 1921, I placed with Dartmouth College at Hanover, N. H., a fund of \$2,500.00—the income from which I wished to be used to assist under certain conditions students at that institution who were residents of this city.

It was found incompatible with the methods of disposing of the funds at Dartmouth College, to handle this fund under the conditions which I wished to impose—and for that reason I have transferred this sum from Dartmouth College to the City of Franklin.

I am attaching herewith the securities representing the fund together with a statement of the methods I wish followed in disposing of the income from the fund.

Respectfully yours,

WALTER F. DUFFY.

Franklin Student Aid Fund

Established by Walter F. Duffy, June, 1921.

A sum of \$2,500.00 is entrusted to the City of Franklin, N. H., the income from which is to be used to assist worthy boys and girls, residents of this city, to secure a collegiate education or its equivalent.

The recipients of the income from this fund are to be selected by a board of three consisting of the Chairman of the Board of Education, Superintendent of Schools and Principal of the High School of the City of Franklin, N. H.

The income from this fund is to be disposed of under the following fixed conditions:—

I. Scholarship

A student must attain such satisfactory standing in studies as to make it apparent to the authorities of the institution of learning where he attends, that it is advisable that the student pursue his studies and that he is on this account worthy of financial aid.

II. Financial Needs

It is to be required that the students who receive benefit from this fund shall be obliged, through lack of family financial resources, to earn at least a substantial part of the money necessary to meet the expenses of their attendance upon their studies.

III. General Restrictions

It is to be understood that in allotting the proceeds of the fund, preference is to be given to students at Dartmouth College, Hanover, N. H., who are residents of the City of Franklin, N. H. If no such students apply for the benefits of this fund, then the income can be used to assist any boys or girls who are residents

of the City of Franklin, N. H., and who are pursuing a course of studies in any institution of learning giving a collegiate education or its equivalent, provided that the first two conditions covering the disposition of the benefits of this fund are fulfilled.

It is also to be understood that the income from this fund may be divided between two or more students, and that any students who receive financial aid from the institutions of learning where they attend are not thereby prevented from receiving aid from this fund.

If no students fulfilling the above requirements apply for the benefit of this fund the proceeds may be used as they accrue each year as seems best to the three persons mentioned above for the general educational good of the citizens of Franklin, N. H.

Daniell Scholarship

In the year of our Lord one thousand nine hundred and fourteen.

A resolution relating to the "Daniell Scholarship."

Resolved by the City Council of the City of Franklin, as follows:

Whereas, Jere R. Daniell of New London, Connecticut, on the second day of April 1914, by his written communication of that date, addressed to the Mayor and Council of the City of Franklin, expressed his intention of establishing a free scholarship for graduates of the Franklin High School to the Massachusetts Institute of Technology, in memory of his father, the late Warren F. Daniell, and to be known as the "Daniell Scholarship," and together with his letter of the 16th of May, 1914, in which he agreed to give the sum of two hundred and fifty dollars each and every year, hereafter, beginning September 1st, 1914, to cover the cost of tuition for one student for four years in any one of the courses described in the catalogue of the Institute, and,

That a student to be awarded this scholarship, in whole or in part, must comply with the following named conditions:

First. He must have completed four years' satisfactory work at the Franklin High School.

Second. His parents or parent must reside in Franklin, and be unable without undue deprivation, to pay the tuition required themselves.

Third. He must show during his four years' work at the High School, marked ability in some one of the several subjects covered by the Institute courses.

In case several candidates present themselves in any one year, the scholarship will be awarded by compe-

tition in the entrance examinations for the Institute. The candidate entering with highest standing to receive the award.

A holder of the scholarship will be expected to maintain the same standard of work at the Institute as that required of holders of regular Institute Scholarships and the scholarship will be withdrawn in case the work is unsatisfactory.

The right is reserved to divide the amount of the scholarship among several applicants should such action seem desirable.

Be it Resolved, That the City of Franklin fully appreciates the spirit that prompted Mr. Daniell to establish this scholarship for the benefit of the young men of said city, thereby creating an additional incentive for higher educational advantages in those who through misfortune or adversity would otherwise be prevented from obtaining the same; and

Be it further Resolved, That said City willingly accepts said trust, and does hereby direct that the annual payment of the sum of two hundred and fifty dollars shall be made to the City Treasurer, who shall pay the annual tuition of said student or students upon the presentation of the bill for same by the Bureau of the Institute, and,

Be it further Resolved, That a Permanent Committee on Scholarship shall be established to consist of the chairman of the Board of Education, the Superintendent of Schools and the Principal of the High School of said City of Franklin, and

Be it further Resolved, That this resolution shall annually be printed in the reports of said city.

Approved,

W. W. EDWARDS, Mayor.

Passed June 1, 1914.

State Tax	18,788 00
County Tax	15,173 37
Schools	78,520 00

Total Appropriations\$246,869 37

Tax rate for 1931, \$28.50 per \$1,000.00.

Passed and approved June 8, 1931.

Signed, DENNIS E. SULLIVAN, Mayor.

In the Year of our Lord one thousand nine hundred and thirty-one.

A resolution relating to raising money by taxation.

Resolved by the City Council of the City of Franklin, as follows:

That the sum of \$214,272.63 be raised by taxation the present year and that the assessors be instructed to assess for the amount as follows:

State Tax	\$18,788 00
County Tax	15,173 00
Public Library	4,500 00
School Money by Law	26,285 47
Bearing Money	3,647 58
Poll Taxes	6,840 00
National Bank Tax	1,365 00

and the sum of \$137,673.58 to meet current expenses provided for by the appropriations made and the same be appropriated with the other revenues of the City to meet same.

Passed: June 8, 1931.

Approved: D. E. SULLIVAN, Mayor.

A true copy attest: GEO. S. FRENCH, City Clerk.

In the Year of our Lord one thousand nine hundred and thirty-one.

A resolution relating to the Daniel Webster Bridge Bonds.

Resolved by the City Council of the City of Franklin, as follows:

That for the purpose of constructing a new bridge to be known as the Daniel Webster Bridge, across the Pemigewasset River to replace the wooden bridge formerly known as the Republican Bridge, constructing the necessary approaches thereto, paying damages for the land necessary to be acquired for the approaches and relocation of said bridge and for any other expenses incurred

in construction of said bridge the sum of \$76,000 be and is hereby appropriated and for the purpose of raising said amount for construction of said Bridge, for land damages necessary for relocation of said bridge and approaches thereto and for any other expenses connected therewith and made necessary by construction of said bridge. Under authority of and in compliance with "An Act authorizing the City of Franklin to issue bonds for the purpose of funding the indebtedness incurred by it in replacing Republican Bridge over the Pemigewasset River in said City." (Approved April 3, 1931.)

The Mayor and Treasurer are hereby authorized to prepare, issue and sell with the approval of the Finance Committee bonds of the City of Franklin in the aggregate principal amount of \$76,000 dated September 1, 1931, payable \$4,000.00 on the first day of September, 1932 to 1947, inclusive, and \$3,000.00 September 1st, 1948 to 1951 inclusive, in coupon form payable to the bearer, bearing the city seal, signed by the Mayor and countersigned by the City Treasurer. Said bonds shall bear interest at the rate of four per cent per annum payable semi-annually on September 1st and March 1st, shall be in the denomination of \$1000.00 each, shall be payable as to both principal and interest at the principal office of The First National Bank of Boston, in Boston, Massachusetts, or at holder's option at the office of the City Treasurer, shall bear the certificate of said The First National Bank of Boston, and shall be in form substantially as provided in the Municipal Bonds Statute. The coupons annexed thereto shall bear the facsimile signature of the City Treasurer.

Passed, August 12, 1931.

Approved: D. E. SULLIVAN, Mayor.

A true copy attest: GEO. S. FRENCH, City Clerk.

In the Year of our Lord one thousand nine hundred and thirty-one.

A resolution relating to hiring money in anticipation of 1931 taxes.

Resolved by the City Council of the City of Franklin, as follows:

That for the purposes of paying such claims against the City of Franklin as may fall due before the thirty-first day of December, 1931, the Mayor and Treasurer of said City be and hereby are authorized and empowered to make temporary loans from time to time for the use of said city of sums not exceeding the

aggregate amount of One Hundred Thousand Dollars; said loans being in anticipation of the taxes of the present year, and hereby expressly made payable therefrom; said Mayor and Treasurer giving for the said loans the notes of the said City bearing the authenticating certificate of The First National Bank of Boston; said notes to be signed by the Mayor and Treasurer and payable within one year from their respective dates.

Passed: September 9, 1931.

Approved: D. E. SULLIVAN, Mayor.

A true copy attest: GEO. S. FRENCH, City Clerk.

AUDITOR'S REPORT

To the Honorable Mayor and Council of the City of Franklin:

I have carefully examined and verified the books and accounts of the City Clerk, Treasurer, Tax Collector, Board of Water Commissioners, Superintendent of Water Works, Board of Education, Overseer of the Poor, Park Commissioners, Trustees of Trust Funds for the City of Franklin, Clerk of the Municipal Court, and Trustees of the Public Library, and find the same correctly cast with proper vouchers corresponding to all expenditures, all receipts properly accounted for, and find the following balances to the credit of the city.

Statement
